2012 Endowment Fund Benefit Dinner

Saturday, March 17, 2012

6:00—9:00 p.m.

Join us for our annual Friends of Crex Endowment Fund Benefit Dinner. Proceeds from this event are designated for the Friends of Crex Endowment Fund.

Since this year's benefit dinner is on St. Patrick's Day, we will be serving an all-Irish menu. The evening will begin with a social hour with traditional Irish appetizers and drinks. The first course will be soup and brown bread. The main course will be a choice of either Corned Beef and Cabbage or Irish Beef Stew. Dessert is yet to be determined. Please indicate on the reservation form your choice of the main dish so we can be sure to have enough. The cost is $50 per person. Please RSVP by March 9th, 2012.

Our speaker this year is Dave Fronczak, a biologist who has been working with the US Fish and Wildlife Service on a Sandhill Crane project . His project includes capturing in multiple locations, including here at Crex Meadows, and fitting cranes with GPS collars in order to track their travels. Dave will talk about his project and also discuss the life history of the Sandhill Crane.
